The maximum percentage contribution that can be paid, or fixed amount expressed as a percentage is <u>50%</u> of gross monthly pay. If you are starting to pay AVCs, then they will not be treated under the SMART arrangements. I understand that my salary will be reduced by an amount equivalent to AVCs I have indicated in the Aegon and/or Prudential sections, and this represents a change to my terms and conditions of employment.

I have read and understood the information on AVCs as set out above and on the website.
